SECTION I. BACKGROUND, OVERVIEW, AND GOALS

A. Background

The City of Greeley is a home rule municipality with a council-manager form of government and is the county seat and the most populous municipality of Weld County, Colorado. Greeley is in northern Colorado and is situated 52 miles north-northeast of the Colorado State Capitol in Denver. According to the U.S. Census Bureau, the population of the city is roughly 111,000 which makes it the 12th-most populous city in Colorado. The City has an annual budget of ~\$490M with a fiscal year that starts Jan 1st, and employees over 1100 employees. Greeley is a major city of the Front Range Urban Corridor and home to the University of Northern Colorado which is a public baccalaureate and graduate research university with approximately 12,000 students and six colleges as well as Aims Community College, which has served the community since 1967.

The City of Greeley is soliciting proposals from qualified firms to conduct a reconnaissance and intensive level historic resource survey of approximately 544 properties in the Sunrise neighborhood in Greeley. B. Overview

The comprehensive reconnaissance historic resource survey will provide basic information on 90% of properties in the survey area and identify properties that are potentially significant and worthy of further study. The survey will also provide intensive level documentation of 10% of the properties in the survey area, likely identified in the reconnaissance survey portion of the project. No properties will be surveyed at both levels.

C. Goals

The survey must be completed according to the requirements of History Colorado, including the State Survey Manual, and within the grant contract timeline.
