

Addendum #1

Project Information

Project Name:	Professional Polling Public Opinion Research and Public Outreach
RFP Number:	F24-10-090
Date:	October 31, 2024
Project Manager:	Kalen Myers

Addendum Questions

Question #1	Is submission restricted to consultants who have experience specifically in Colorado?
Answer	Colorado-specific experience is desired but not required. Specifically, firms demonstrating a familiarity with Colorado's TABOR regulations and a contextual understanding of the social and political dynamics of the north front range will have an advantage in the evaluation process.
